

THE DANCER'S POINTE

From the Director:

Here it is...the first newsletter. This edition is jammed packed with information about this dance season. Make sure you read the **Welcome Packet** carefully. It was sent out via email immediately following online enrollment. If you can't locate this please let us know and we will get a copy out to you! The information contained in the packet will be your guide for the season.

Don't forget that you can order dance shoes, tights, leotards, skirts, bags etc through the [Shopnimbly.com](https://shopnimbly.com) website and have all your dance necessities shipped right to your doorstep.

Reminders....DO NOT wear dance shoes outside. All dancers must wear the appropriate clothes to class and have their hair pulled back away from the face and off of the neck. Additionally, please use the restroom before class begins.

Our very first Fun Night will be 9/29 and it will be an amazing time for all. There will be games, snacks, crafts and dancing. The teachers love this time to just hang with the kiddos and enjoy the festivities. Bring your dancer and a friend and go out for a relaxing adult evening.

Any questions or comments...let us know.
